Happy New Year! We survived another year on this crazy planet. To celebrate, check out Day 47 of videos: [the January 2023 Video Preview](#)! **UPDATE (Shadow)** Happy 2023 everyone. For those who follow us on [Instagram](#) yesterday you saw in our carousel Snow Hard in its entirety. Now those "instagram versions" of all of Snow Hard can be seen as Special Editions starting [here](#). As this is January I will be posting less comics per usual. However it will be more comics than usual in January as the plan is posting them every 6 days instead of the usual 3. My normal every 3 day update will be another random update to the site. I will warn you all that Soniceenmas may interfere with these plans (as that's usually the reason I update less in January). Of course this all means you should just [check out KS Chad's videos more often](#)!
